	Varicella (either a history of chicken pox, a positive Varicella antibody or two doses of a vaccine given at least one month apart if immunized after 13 years, meet the requirement.	

Please read the following information carefully:

Louisiana Law (R.S. 17:170/R.S. 17:170.1/Schools of Higher Learning) requires all students entering Louisiana Tech University to be immunized for the following: Measles, Mumps, Rubella (2 doses) for those born on or after January 1, 1957; Tetanus-Diphtheria (within the past 10 years); and against Meningococcal disease (Meningitis). The following guidelines presented are for the purpose of implementing the requirements of Louisiana R.S. 17:170.1, and of meeting the established recommendations for control of vaccine-preventable diseases as recommended by the American Academy of Pediatrics (AAP); the Advisory Committee on Immunization Practices to the United States Public Health Service (ACIP); and the American College Health Association (ACHA). Students not meeting these requirements will be prevented from registering for subsequent quarters.

Louisiana Tech University adheres to the equal opportunity provisions of federal and civil rights laws, and does not discriminate on the basis of race, color, national origin, religion, age, sex, sexual orientation, marital status or disability.

Request for Exemption – MMR and/or Meningitis

____Medical Reasons (Physician's statement in space provided) ____Personal Reasons

____

____

I fully understand that if I claim exemption for medical or personal reasons, I may be excluded from campus and classes in the event of an outbreak of measles, mumps, rubella or meningitis until the outbreak is over or until I submit proof of immunization.

TUBERCULOSIS QUESTIONNAIRE
(MANDATORY – NO EXEMPTIONS)

The Student Health Center is evaluating all entering students for exposure to tuberculosis (TB). Please review and complete the information below **even if you have received a BCG (TB) vaccination in the past.** If you have any questions, please contact the Student Health Center at (318) 257-4866.

	YES	NO
Have you ever had a positive PPD skin test in the past? **If yes, STOP. Please provide evidence of treatment and chest x-ray results.**	____	____

PAST HISTORY

	YES	NO
1. Were you born in, have you ever lived in, or recently traveled to (within the past 5 years) any country in the following areas of the world? (Excluding cruises) *Africa, Asia, Caribbean nations, Central America (including Mexico), Eastern Europe, India and other Indian Subcontinent Nations, Middle East, Portugal, South America, South Pacific (except Australia and New Zealand), or Spain*	_____	_____
2. Do you have a history of cancer, leukemia, kidney disease, diabetes, alcoholism, or intravenous drug use?	_____	_____
3. Have you resided, worked or volunteered in a prison, homeless shelter, hospital, nursing home, or other long-term treatment facility?	_____	_____
4. Do you have AIDS/HIV or take immunosuppressive medication such as prednisone?	_____	_____
5. Have you been in close contact with someone with TB?	_____	_____

IMPORTANT: If you answered "YES" to any of the above 5 questions listed under PAST HISTORY, you are required to have had a PPD skin test within the past year. You can obtain the PPD skin test from your physician or student health center. If you answered NO to all of the above, no further action is required.

NOTE TO HEALTH CARE PROVIDERS: Please record the size of the induration in millimeters. If there is no reaction, please record as "0 mm". **Students who have had a BCG vaccine are still required to have a PPD skin test**. If the screening skin test is positive (10mm or greater for those who answer "YES" to questions 1, 2, or 3, and 5mm or greater for those who answer "YES" to questions 4 or 5), we require an appointment at the public health clinic or please provide a copy of treatment and chest x-ray result. **You will not be allowed to attend classes until you have been seen by Lincoln Parish Health Unit TB division or until you provide documentation of previous treatment and chest x-ray result.**
